AUDIT EXECUTIVE SUMMARY:

Kreher Enterprises LLC is a bell pepper, hot pepper, cucumbers, cauliflower, sweet corn, watermelons, hard and summer squash and eggplant grower / packer / shipper with a 10,400 Sq. Ft. pack house facility located in Eden, NY where their products are washed, packed, cooled and shipped. Their farm has 400 acres in several close locations that have the same management. Their water is sourced from both wells and open-source ponds. The water is applied by drip irrigation and by overhead sprinklers to their sweet corn. There are 80 people working during their season from April to November in the facility. The products are grown on their farms and transported to their packing house in flatbed trucks. All the products grown are conventional. The packinghouse and harvest crews were audited in the same day.
